Local guides who are familiar with history will give you the guidance for Kimonyagura (scaffold) *closed on Mondays.

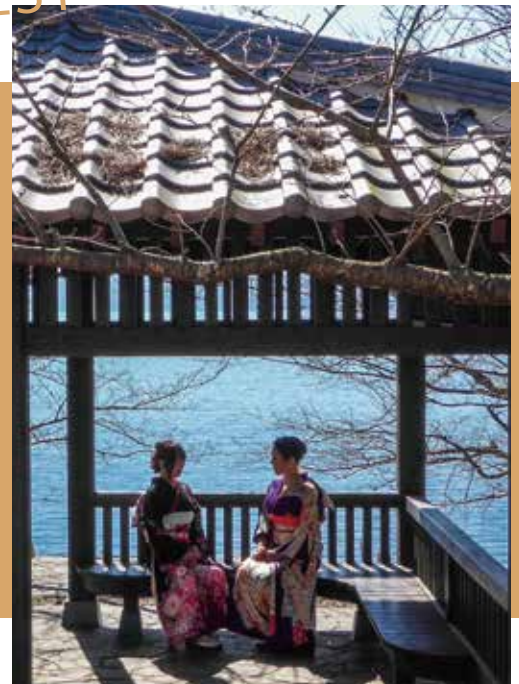

Spectacular view from Chidoukan - the domain school still existing today only in Hiji Town in Oita Prefecture. closed on Mondays.

BEST

Walk With Local Guides Who Are Familiar With History!

Castle-Town-By-The Sea Walk

Hiji Town is the castle town grown by the seascape and the water spring; the castle ruins area which is famous in connection with the Toyotomi family. Walk slowly through the area with the local guide.

Highly Recommended! Take the best photo at Shiro-shita Koen Park with the view of the Beppu-wan Bay.

Watching stone walls (Anou zumi) built about 400 yrs ago and reminiscence the ancient time.

Genroku no jisho (time bell) was built more than 300 years ago and the elementary school students still rings it today.

You can't miss this beautiful garden "Tekisansou", which was the house of a gold mine owner (10 a.m. - 4 p.m. No charge for entrance).
